

One of the rooms in the castle

□ If you are interested in the ruins of the castle, our region will not disappoint you.

The ruins of the castle „Tarnowskich” on Mount St. Martin

Ruins of the castle in Melsztyn.

Pretty close you can visit the oldest continuously active industrial plant in Europe - a salt mine in Bochnia.

*Witamy na naszej ziemi*

**Tarnów region**

06 - 09

December 2011

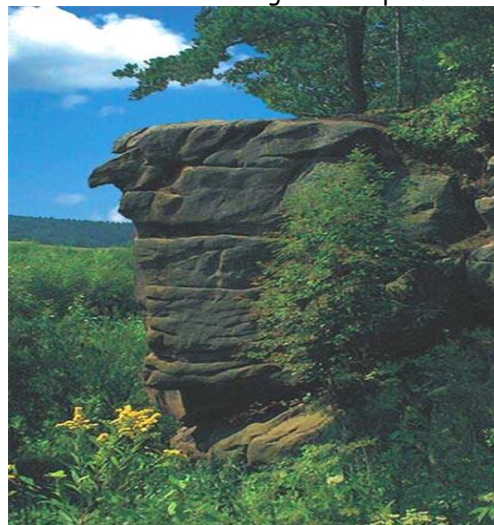

◆ We are the only region famous for the "painted village". Old houses are painted in the interior.

In our region you will find the "Petriified City" - rock reserve with interesting rock shapes.

The most famous rock - "The Witch"

Only with us you hit the "Bean Feast" in Zakliczyn. Then you can also try the unusual dishes from this plant.

Beans everywhere

Only here you can meet the ghost of „Tartówna” at the Dębno Castle

Gothic castle in the village Dębno.
